### Golfer's Dream: Round of Golf for Three at Merion Golf Club

#### Home of the 2013 U.S. Open Championship

This is an exclusive opportunity that simply can't be gotten elsewhere. Designed by Hugh Wilson, Merion's East Course has played host to more USGA Championships than any course in America and is home to some of its greatest moments. From Robert Tyre Jones, Jr.'s completion of golf's elusive Grand Slam at the 1930 U.S. Amateur held at Merion to Ben Hogan's awe inspiring performance and now legendary one-iron on the 72nd hole during the 1950 U.S. Open, the sculpted greens, fairways, and treacherous bunkers of Merion have shaped the game. You watched Justin Rose in June, now it is your turn!!

**Round is for three golfers to be scheduled with a member of Merion (no unescorted groups are permitted at Merion). Walking, with caddies is required- no carts are available at Merion.**

Merion has a strict 4 hour time limit for a round of golf. Please consider this as you bid it and if you win, who you might invite. Other specifics in terms of arrival, practice/warm up will be provided to the winner as part of scheduling the round. **Round includes golf and caddie fees.**
